

OUR FOUNDATION

System of Care (SOC) is a philosophy which embraces the idea that youth and families can and should have an active role in how systems serve them. This includes community based services that are individualized, strengths-based and empowering to youth and families. A System of Care addresses the needs of youth through effective family, youth, and cross system partnerships and collaboration across agencies.

Family Youth System Partner
Round Table

SW Washington
FYSVRT

The Southwest Washington Family Youth System Partner Round Table (FYSPRT) is a community-based group of youth, families, professionals and community members from Clark and Skamania counties who are passionate about making needed changes in the system of care that serves youth and families with complex mental health needs. Youth and families are equal partners at the table.

FYSPRT is a forum where you can share your experience and insight into creating a higher quality and more accessible system for families who are utilizing these important community resources.

JOIN FYSPRT TODAY!

WHAT IS FYSPRT?

- A forum for open dialog about experiences within our systems to inspire change
- A working partnership among family, youth, systems and community partners to identify needs and promote Family- and Youth-Driven solutions to address system challenges and barriers
- An opportunity to provide input on long-term strategies that support sustainable changes to the Washington State Children's Behavioral Health System
- A place to get involved in community projects and events that raise awareness of behavioral health needs of children, youth and families in Southwest Washington

BECOME A CHANGE AGENT TODAY!

Youth and Family voices bring compassion, understanding and inspiration to system change. Your voice matters and FYSPRT provides a safe place for you to be heard. Help move the behavioral health system beyond treatment to resiliency and hope!

We are actively looking for family and youth members who have lived experiences with behavioral health services to support our efforts to improve the system of care.

- Plenty of pizza and soda for everyone
- Gift cards for all youth in attendance
- Support for travel available upon request

YOUTH ADVOCACY AND EMPOWERMENT

FYSPRT Meetings are held every month specifically for youth in the community to speak freely about their experiences with other youth. The Youth Advocacy and Empowerment is a diverse group of youth with lived experience and youth allies who come together to find solutions to problems in our area and collaborate on projects to raise awareness of systems. Benefits for youth:

- Leadership experience
- Networking skills
- Youth voice
- Project planning and development
- Volunteer hours and resume building
- Free pizza and drinks
